

1. Practice in nature.
2. Work on your entrance and exit into your monologue.
3. Fully dress in character.
4. Do it with an accent.
5. Improv it out.
6. Do it slow.
7. Do it fast.
8. Overact it!
9. Sing your monologue.

Now add your own ideas on how to work on your monologue below:

---

---

Fun Monologue tip:

Have an old and small book that you don't use anymore. Recycle it as your monologue book. Print out your monologues. Paste, tape or staple your monologues in it. You can bring it in your bag/purse. It's low tech and batteries not needed.
